VIDEO EDITOR & DIGITAL MARKETING EXECUTIVE

Email: ijoy76889@gmail.com | WhatsApp: +880 1782 506450 | Dhaka, Bangladesh (Remote Worldwide)

Portfolio: Live Portfolio Website | Specialization: YouTube, Shorts/Reels & High-ROAS Meta Ads

EXECUTIVE SUMMARY

Results-driven Video Editor and Digital Marketing Executive specializing in turning raw footage into high-retention video stories, viral vertical content (TikTok, Reels, Shorts), commercial brand showcases, and ROI-focused Meta advertising campaigns. Master of narrative pacing curves, dynamic sound effects layering, lumetri color grading, and audio cleanup. Proven ability to optimize hook retention (0-3s) and structure high-converting advertising funnels.

CORE TOOLKIT & TECHNICAL COMPETENCIES

- Video Editing: Adobe Premiere Pro, After Effects, CapCut Pro
- Meta Ads: Campaign Setup, Creative A/B Testing, ROAS Scaling
- Sound Design: Audio Normalization, Dialogue Cleanup, SFX & Risers
- Motion Design: Kinetic Typography, Lower Thirds, Logo Stingers
- Color Grading: Lumetri Color, Cinematic Film LUTs, Balance & Contrast
- Creative Tools: Photoshop, Illustrator, Canva, Make.com, Jitter

PROFESSIONAL EXPERIENCE

Senior Video Editor & Digital Media Specialist

2023 – Present

Freelance & Client Creative Studio | Remote Worldwide

- Edited 50+ long-form YouTube episodes and 150+ short-form vertical reels (9:16) with an average hook retention rate of 84%.
- Engineered precision audio architecture combining Foley, riser drops, whooshes, and multi-track dialogue normalization.
- Developed high-converting video ad creatives for Meta (Facebook & Instagram Ads), generating up to 3.8x ROAS for e-commerce brands.
- Built reusable kinetic caption templates, dynamic split-screen layouts, and 3D camera tracking callouts in After Effects.

Digital Marketing Executive & Video Strategist

2022 – 2023

Content & Digital Media Agency | Dhaka, Bangladesh

- Managed Meta Ad accounts, building full-funnel marketing campaigns (TOFU/MOFU/BOFU) from ad creative to landing page.
- Monitored audience drop-off analytics in YouTube Studio & TikTok Ads Manager to refine 0-3s visual hooks and pacing.
- Coordinated end-to-end post-production pipelines: ingestion, rough cuts, fine tuning, sound design, color mastering, and rendering.

SELECTED VIDEO PORTFOLIO HIGHLIGHTS

1. YouTube Commercial & Tech Showcase (16:9)

Deep multi-cam sync, B-roll pacing curves, dialogue repair, and custom Lumetri LUT color grading. 1.4M+ Views.

2. High-Retention Reels & TikTok Pack (9:16)

Algorithm-focused vertical video editing with 0-3s kinetic visual hooks, animated subtitles, and punchy sound design.

3. Product Promo & Meta Ad Campaigns (1:1 / 4:5)

Commercial rhythm beat-matching, speed ramps, product callouts, and motion graphics built for maximum CTR & conversions.

EDUCATION & PROFESSIONAL CERTIFICATIONS
